Dear Timothy:

This confirms our discussion and agreement today that you will provide me and Andrew Morrison 40 days advance notice by email that you intend to trigger the defendants' obligation to respond to the then-latest pleading.

I have agreed on behalf of the defendants I represent that they will not oppose any motion you make to amend your pleading.

I also agree to, in the future, grant you any reasonable extensions, in light of your agreement to the above.

Please confirm that you received this. Have a good weekend.

Regards,

Tom M. Fini, Esq.
